Re: Founding Church of Scientology v. Director
FBI, et al., C.A. No. 78-0107 (D.D.C.)

Dear Mike and Gerry:

Attached is the motion and supporting papers, with the exception of the Appendix of Armstrong trial transcript excerpts, regarding the deposition of L. Ron Hubbard which were filed yesterday in the District Court for the District of Columbia. Your assistance on this matter was of great help and is most appreciated.

I would like to ask that you read the brief and provide comments regarding any further factual matters that might be useful in responding to the onslaught that will no doubt be forthcoming from the Church. As we previously discussed, any information regarding L. Ron Hubbard's involvement with Church matters after 1982 would be most useful. More importantly, if you can think of any Church members who might be willing to discuss such matters with us under the terms I previously outlined, this could well prove invaluable.

Thank you again for your assistance. If you have any questions regarding this matter or suggestions regarding further proof of L. Ron Hubbard involvement, please do not hesitate to contact me at the telephone number noted above.

Sincerely,

RICHARD GREENBERG
